

University of West Florida Student Handbook

Academic Policies

Grade Forgiveness Policy

The University allows students to retake a course and use grade forgiveness up to 3 times during their academic career. When grade forgiveness is applied, the original grade remains on the transcript but is excluded from the GPA calculation. Only the new grade is used in computing the cumulative GPA.

Academic Standing

Students must maintain a minimum cumulative GPA of 2.0 to remain in good academic standing. Students who fall below this threshold will be placed on academic probation for the following semester.

Student Services

University Police Department

The University Police Department offers safety escorts, crime prevention programs, emergency notifications, and 24/7 patrol services. Students can request a safety escort by calling the campus police non-emergency line at (850) 474-2415.

Counseling and Psychological Services

The University provides free short-term counseling to enrolled students. Services include individual therapy, group therapy, crisis intervention, and referrals to community providers for long-term care.
